

### **Introduction:**

The DFW Metroplex is the fastest growing area in the U.S. with over 162,250 new residents that moved to our neighborhoods between 2006 and 2007. There are over 6.1 million people and over 65 culture groups that live in God's mission field in North Texas. Do you desire to be a part of God's mission here? Then the LINC Mission Training Center is the place for you.

### **Description:**

During Fall 2008, the first course of LINC MTC will bring together servants of Christ to be trained, challenged, equipped, and empowered to be the leaders of God's mission in the DFW area. LINC MTC will serve as a multi-ethnic training center to reach the lost of all nations in our own backyard.

The full LINC MTC training is ten courses, each consisting of ten weeks of training. These courses will cover topics such as *Missional Leadership, A Biblical Mandate for Missions, Personal Spiritual Development, Old Testament, New Testament, and How to Plant and Fund a New Faith Community*. These courses will be taught by mission minded leaders who are currently engaged in reaching the nations in the DFW area.

### **First 10-Week Course Topics:**

#### **The Call of a Missional Leader**

Without a call to missional leadership, the church will not advance. The students will look at the scriptural mandate for this type of leadership as well as the place the missional leader has in the Kingdom of God.

#### **The Transformational Life : Listening Leader**

A cursory look at the discipline of listening to the voice of God. A strong emphasis on the spiritual disciplines and the deeper life of a follower of Jesus.

#### **The Transformational Life : Dying Leader**

An emphasis on the discipline of self denial, sacrifice and servanthood as Christ exemplified in his ministry. An emphasis on Philippians 2:1-11, Luke 9:23, and Galatians 2:19-21.

#### **The Transformational Life : Whole Leader**

Our goal as missional leaders is to be people of character. This week's teaching will focus on being a whole person that allows Christ to transform each of us to have a pure heart and clean hands. We will also review the need and call to be mentored.

#### **Loving the City and its People**

These two weeks we will look at Christ's development in our hearts for His children of all nations. We will look at how we can better learn to see people the way that Christ sees them and build Christ centered relationships with them. A mentor must be chosen by this point in the class.

#### **Leading as Lion and Lamb**

A look into the delicate balance between leading boldly in Christ and leading humbly in Christ.

#### **Leadership Multiplication**

The only true apostolic leader is one who multiplies himself in another. These two weeks we will focus on the core aspects of how to multiply one self into another by the power of the Holy Spirit. Mentor's are invited to participate in these sessions.

#### **Breakthrough Plan**

The last week will be a mentoring session as each student presents their breakthrough plan to become a missional leader.
